#### MII Purchase Preference/एमआईआई खरीद वरीयता

MII Purchase Preference/एमआईआई खरीद वरीयता	Yes
--	-----

**MSE Purchase Preference/एमएसई खरीद वरीयता**

MSE Purchase Preference/एमएसई खरीद वरीयता	Yes
---	-----

1. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU / Public Listed Company for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

4. Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023. [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

5. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail the Purchase preference, the bidder must be the manufacturer of the offered product in case of bid for supply of goods. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service. If L-1 is not an MSE and MSE Seller (s) has/have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such Seller shall be given opportunity to match L-1 price and contract will be awarded for 25%(selected by Buyer) percentage of total QUANTITY. The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

6. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices

which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

7. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 80% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU / Public Listed Company. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

## Email Security Software / Appliances Transaction Security And Virus Protection Software ( 1 pieces )

(Minimum 50% and 20% Local Content required for qualifying as Class 1 and Class 2 Local Supplier respectively/क्रमशः श्रेणी 1 और श्रेणी 2 के स्थानीय आपूर्तिकर्ता के रूप में अर्हता प्राप्त करने के लिए आवश्यक)

### 6. **Forms of EMD and PBG**

Bidders can also submit the EMD with Account Payee Demand Draft in favour of

Indian Statistical Institute  
payable at  
Kolkata

. Bidder has to upload scanned copy / proof of the DD along with bid and has to ensure delivery of hardcopy to the Buyer within 5 days of Bid End date / Bid Opening date.

### 7. **Forms of EMD and PBG**

Successful Bidder can submit the Performance Security in the form of Account Payee Demand Draft also (besides PBG which is allowed as per GeM GTC). DD should be made in favour of

Indian Statistical Institute  
payable at  
Kolkata

. After award of contract, Successful Bidder can upload scanned copy of the DD in place of PBG and has to ensure delivery of hard copy to the original DD to the Buyer within 15 days of award of contract.

### 8. **Certificates**

Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

### 9. **Service & Support**

Availability of Service Centres: Bidder/OEM must have a Functional Service Centre in the State of each Consignee's Location in case of carry-in warranty. (Not applicable in case of goods having on-site warranty). If service center is not already there at the time of bidding, successful bidder / OEM shall have to establish one within 30 days of award of contract. Payment shall be released only after submission of documentary evidence of having Functional Service Centre.

10. **Buyer Added Bid Specific ATC**

Buyer Added text based ATC clauses

**Scope of Work**

- (i) To supply, install, configure, integrate, commission and provide support of Email Security Gateway solution to meet the requirements of the project for 3 years post Go-Live.
- (ii) The solution shall be implemented at the CSSC at Indian Statistical Institute (ISI), Kolkata.
- (iii) The supplied system should be integrated with other parts of email delivery pipeline and security appliances of ISI-Kol IT infrastructure.
- (iv) Bidder should carry out the security hardening of the supplied components, including but not limited to hardware, software, and application. The hardening should be in conformance with the standard security guidelines of ISI-Kol.
- (v) Bidder should ensure engagement of OEM during the implementation and maintenance period and should submit proof of warranty and 24x7 enterprise support with the OEM agreement executed in the name of ISI-Kol exclusively for this project. There shall be no limitations on the enterprise support.
- (vi) Bidder should undertake to conduct Quality Assurance testing and assist ISI-Kol to perform User Acceptance Testing.
- (vii) Bidder should provide post-implementation training to ISI-Kol officials for regular management and operation purpose.
- (viii) Bidder should deliver all the relevant documents, SOPs required for the smooth implementation and operation of the project before final acceptance. The documents and design should be vetted by the respective OEMs.
- (ix) Bidder should provide post-implementation support for the offered systems by trained support engineers.
- (x) The selected vendor is expected to close all the vulnerabilities/weakness identified by ISI-Kol in a time bound manner during implementation and warranty period.
- (xi) The selected vendor is expected to comply with all the security policies of ISI-Kol before acceptance of Final solution.
- (xii) Full documentation, SOPs of the project are to be included in the deliverables by the successful Vendor.
- (xiii) The selected vendor should integrate with ISI-Kol's existing NTP server for setting the global time settings.
- (xiv) The successful vendor will be expected to provide all the necessary software licenses, implement, train and handover the solution to ISI-Kol officers. The bidder would subsequently provide support through bug fixes, updates, and upgrades, troubleshooting, configuration changes, etc., by visiting ISI-Kol premises as and when required.
- (xv) All the supplied systems should be covered under onsite warranty for 3 years from post Go-Live date.
- (xvi) The solution provider should perform migration of data from the existing solution to the new supplied solution. The data for the migration includes policies, rules etc. of the existing email gateway solution.

(xvii) ISI-Kol may further extend the quantity to additional user licenses for all the proposed products/ solutions at the same rate as and when required during the contract period.

(xviii) In case of any conflict between the GeM defined Catalogue Specification/ Terms & Conditions & those mentioned in ATC specified by the procuring entity, the details given in ATC will prevail. Technical Evaluation will be done as per the conditions of ATC document.

## Additional terms and conditions

-

1. The offered product specification should be as per the specification mentioned in **Annexure-1** and no deviation from it will be accepted. Compliance of BoQ Specification as per Annexure-1 must be submitted.

2. The bidder must provide complete technical compliance documentation in accordance with the specified technical requirements. Furthermore, the technical compliance documentation should be accompanied by a product datasheet or brochure, which should be publicly accessible on the OEM's website for verification purposes. Website link of the product line and datasheets, which may provide necessary evidence(s), must be provided.

3. Manufacturer Authorization Certificates from the OEM mentioning the specific Bid Number should be submitted for the proposed solution, failing which the bid will be rejected.

4. The OEM of the proposed solution should be an established and reputable company with a minimum of 10 years of experience within the cybersecurity sector. Bidder should submit a publicly verifiable list of such products which may show presence of the OEM for said amount of time.

5. OEM should be a reputed email security gateway vendor with a **market presence in India for at least the last 5 years**, with both hardware appliance-based and virtual appliance-based solutions. OEM must have 24x7 online Technical Support available (details to be provided). OEM should have supplied at least 5 email gateway solutions in the last 3 years in India and PO copies with contact information of such clients should be provided with the bid.

6. The OEM must also have a proven track record in effectively identifying vulnerabilities within software systems. Documentary evidence of list of such publicly available reports may be provided as necessary evidence(s).

7. To demonstrate their expertise in threat research, the OEM should maintain a research team that has published a minimum of **20 technical documents in the past two years**, specifically in areas related to cybersecurity. Documentary evidence of list of such publicly available documents may be provided as necessary evidence(s).

8. Additionally, the OEM should receive data feeds from its own threat intelligence platform, ensuring reasonable visibility and presence in the global digital landscape. Documentary evidence mentioning the name of the platform along with website link and publicly available datasheets/ reports which may be provided as necessary evidence(s).

9. The Bidder must have a registered office in Kolkata. Documentary evidence issued by any Govt. agency to this effect must be submitted.

10. The OEM of the Proposed solution should be among the top 10 players in last 3 published email security gateway reports by Gartner/ Radicati. Website reference of such list, may be provided as necessary evidence(s).

11. Bidder must have been engaged in IT-related services at least for the last 3 years and must have supplied at least 1 email gateway solution in the last 3 years. PO copy to be submitted.

12. The bidder should submit the Make In India Declaration as per the Annexure-2 enclosed herewith.

## **Annexure-1**

### Specification of Email Security Gateway Solution

<b>S. No.</b>	<b>Item</b>	<b>Details</b>
1	Type of Appliance	Virtual Appliance for on premise deployment. Should be deployable through VMWare (v7.0)
2	Email Gateway	1. It should be able to act as the email gateway for the exchange of emails, on behalf of the institute email domain(s) and should support Simple Mail Transfer Protocol (SMTP) to accept and deliver messages. 2. It should be able to route emails on behalf of multiple domains. 3. It should be able to send multiple messages per connection and open multiple connections per host.
3	No of Users	Should support at least 650 users from Day 1, and extendable up to 1000 users with the purchase of additional user licenses only.
4	Email Encryption	Should support SSL/TLS as well as S/MIME (or equivalent) for encrypted delivery of inbound as well as outbound emails.

5	Email Security	<p>Should support (at least) the following features from Day 1, on the email processing pipeline for both incoming as well as outgoing emails (whenever applicable).</p> <ol style="list-style-type: none"> <li>1. The solution should support the ability to perform SMTP session control and traffic rate limiting according to the sender's IP address/range, domain or email reputation.</li> <li>2. The solution should have a spam catch rate of greater than 99 per cent, with a false-positive rate of less than one in one million. The solution should provide a mechanism to configure Anti-Spam Aggressiveness on a global basis. Performance/efficiency declaration from OEM should be provided on OEM's letterhead, with supporting documentary evidence.</li> <li>3. Should examine the reputation of the email sender to filter out malicious senders (both domain and hosts).</li> <li>4. Should analyze email content using a variety of techniques to filter out phishing emails.</li> <li>5. Should be able to detect and block zero-day malware attacks. Should check for security updates and threat intelligence data updates at least twice a day.</li> <li>6. Should be able to detect junk emails and filter them (configurable).</li> <li>7. Should prevent Directory Harvesting, and similar brute-force attacks</li> </ol>
---	----------------	---

S. No.	Item	Details
		<ol style="list-style-type: none"> <li>8. Should protect from URL-related attacks (e.g. Time-of-Click) and per-user tracking of Web interaction. Should work for shortened URLs also.</li> <li>9. Should provide message quarantine (for spam emails, viruses, and outbreak incidents) feature, with a size of at least 1GB. Should provide a mechanism for end-user notification daily, along with access to (actionable) message quarantine, on per user basis. Users should be able to access their quarantined emails individually. The administrator should have access to all quarantined mail.</li> <li>10. Should support configuring with SPF, DKIM, and DMARC features for the institute email domain. The solution should support policies to sign outgoing emails based on domain keys and allow users to sign by different domain keys based on the sender domain. Full-featured DMARC verification for incoming emails should be done by the solution.</li> </ol>
6	Management	<ol style="list-style-type: none"> <li>1. The solution should support the authentication of users using external RADIUS or LDAP for management purposes.</li> <li>2. The solution should support the following for system monitoring: - SNMP v2/v3, Syslog</li> </ol>

7	IPv6 Support	The solution should be able to exchange emails with IPv6 hosts.
8	Data Loss Prevention	Should support setting up a policy, to prevent Data Loss Prevention.
9	End of Support	Should be at least five years from the date of publication of the tender. Such a declaration should be provided on OEM's letterhead.
10	Maintenance	Should provide 36 months onsite comprehensive OEM warranty including (but not limited to) 24*7 OEM support for technical issues, along with access to software upgrades/bug fixes, threat intelligence feed for all available security engines, knowledge base and online resources, and any other licenses and subscriptions needed for proper operation without any additional cost during the entire warranty period.
11	Licensing	<ol style="list-style-type: none"> <li>1. All the features described above (S. Nos. 1 - 10) should be available from Day 1.</li> <li>2. No extra cost can be incurred for system upgrades, bug fixes, licenses, subscriptions etc. during the entire warranty period of 36 months (from the day of installation).</li> </ol>

## Annexure-2

### DECLARATION OF LOCAL CONTENT

Tender No: .....

Dated: .....

To

The Chairperson, Tender Committee

Indian Statistical Institute

203, B T Road, Kolkata- 700108

#### **Subject: Declaration of Local Content-reg.**

1. Country of origin of Goods being offered: .....

2. We hereby declare that items offered has.....% local content.

(Clarification for Local content calculation as per OM No: P-45021/102/2019-BE-II-Part (1) (E-50310), dated 4<sup>th</sup> March 2021 of Department of Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Govt. of India.)

3. The details of location(s) at which local value addition is made are given in the below table:

Sl. No.	Name of the item	Location(s) of local value addition

“Local Content” means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the item procured (excluding net domestic indirect taxes) minus the value of the imported content in the item (including all customs duties) as a proportion of total value, in percent

### Important:

“False declaration will be breach of Code of Integrity under Rule 175(1) (i) (h) of the General Financial Rules 2017 for which a bidder or its successors can be debarred for up to two years as per Rule (iii) of the General Financial Rules 2017 along with such other actions as may be permissible under law”

Date:

Yours faithfully,

Yo

#### 11. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

### Disclaimer/अस्वीकरण

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. Any clause(s) incorporated by the Buyer regarding following shall be treated as null and void and would not be considered as part of bid:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process.

9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

[This Bid is also governed by the General Terms and Conditions/ यह बिड सामान्य शर्तों के अंतर्गत भी शासित है](#)

In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws./जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।

**---Thank You/धन्यवाद---**
